Re: Public Safety Interoperable Communications (PSIC) Grant Deadline Extension

The Mississippi Wireless Communication Commission has extended the grant deadline for requests to be included in the PSIC Grant Program to May 1, 2010. The final expenditure deadline has been extended to September 30, 2010.

In order to be included in the PSIC Grant Program all completed grant paperwork and a copy of your Interlocal Agreement, "as submitted to the Attorney General" must be submitted by May 1, 2010. Letters of intent should list the jurisdictions (county and municipality) that will be participating with your agency and also identify the departments that will be served (police, fire, volunteer fire, etc.). The letter of intent should also be signed by the heads of the participating agencies. Again, all awarded funds must be expended by September 30, 2010.

If you have any questions, please contact our office at 601/359-5333.
